5. \_\_\_\_\_
6. \_\_\_\_\_
7. \_\_\_\_\_

### Lowest Scoring Gifts:

15. \_\_\_\_\_
16. \_\_\_\_\_
17. \_\_\_\_\_

You probably need to avoid putting yourself in situations where these gifts are required.

### Things to remember:

- There are no greater or lesser gifts. However, there are gifts that occur at a higher rate than others - for good reason - in the community of faith.
- Be thankful for the gifts God has given you.
- Having very even scores on many gifts does not usually identify an extremely gifted person, but rather skewed inventory results. Inventories can be skewed for a variety of reasons: one does not really know themselves very well, a fear of answering questions incorrectly, pondering too deeply rather than going with one's first gut reaction.
- Skewed results can be sorted out by: individual consultation with the pastor or other spiritual leader, asking one's spouse or a close friend to do the inventory for them, or other processes of discernment.
